

✨ Journey Into Alchemical Love

A Retreat for Couples Seeking Truth, Intimacy, and Transformation
December 4th–6th, 2025 | Soul Sanctuary | Caldes d'Estrac, Spain

🔥 **This is not your typical couples retreat.**

It's a call to awaken.

To shed the masks, soften the armour, and enter the fire of real intimacy.

To stop performing love, and start becoming it.

💖 **What if your relationship was the crucible... not the comfort zone?**

A place where pain becomes a portal, silence becomes a teacher, and passion becomes prayer?

This is a journey for couples who sense that love can be more—who are ready to go beyond the surface and into the wild, living core of connection.

Together, we will:

- Step off the wheel of roles, resentment, and repetition
- Reclaim the power of the relational field—the sacred third that exists between two people
- Learn to dance the edge between vulnerability and sovereignty
- Transform triggers into gold
- Awaken the body as a gateway to presence, play, and erotic aliveness

🌿 **What Awaits You**

🌟 Deep Presence — Encounter your partner beyond story, in the space of being

🌟 Soulful Movement & Stillness — Sacred embodiment sessions to awaken what's sleeping inside

🌟 Sacred Dialogues — Practices to reclaim clarity, connection, and conscious communication

🌟 Nature as Ally — Sea views, silence, and a garden that knows how to hold you

🌟 The Inner Flame — Reignite the intimacy that doesn't fade when fantasy does
